(2) When a new customer ticks DJ, DJK, DJA or DJFN, we contact them to define the most appropriate analysis.

(3) In case of AC and IP analysis for the same sample, check the AC* and IP* boxes. The invoice will be established on the price of a joint analysis AC* IP*.

The analyzes indicated by the symbol * are performed using COFRAC accredited methods (www.cofrac.fr - lab ref: 1-7465).

Customers are not allowed to use the accreditation mark (apart from the complete reproduction of the analysis report). Non-accredited scope analyzes are not covered by international recognition agreements.

Shipping conditions:

To ensure the reliability of the test result, the bottle must be correctly filled (have little headspace) and protected from light (dark bottle, metal can, BIB, covered bottle, etc.).

Commercial bottles are considered compliant.

In case of a first request for analysis, please accompany this form with the payment (prices on page 2)
